

# **Van Washer/Utility Worker Position: 1 position available 3 days weekly**

The Utility Worker is in charge of cleaning our vans, preparing our drink service, shuttling vehicles and a wide variety of other minor chores. The utility worker needs to be dependable, detail oriented and versatile.

The work conditions are quite pleasant and most work is done without direct supervision.

A driver's license and dependable transportation are necessary.

Aside from the core duties each day there are a wide variety of additional tasks that may be assigned.

These tasks may include: light vehicle maintenance, shuttling vehicles or custodial duties.

Because the work day is rather brief it would be desirable to live near our work site in Kailua Kona. Working hours are flexible but always in the mornings. If you are a dependable, self-starter and love to work independently; this might be a great job for you. Note: The worksite is in the Kailua industrial area.
